

Rules of the Day

Your failure to read this article does not absolve you of the responsibility to know its content.

Please note: These games are Sponsored by: Town of Waxhaw, Museum of the Waxhaws, and the Scottish Society of the Waxhaws in Union County, NC. The Waxhaw Scottish Games & Festival are first and foremost a family gathering. We support family fund and entertainment in a safe environment. Our purpose is to host an event that will exhibit our interest in the Scottish Heritage as well as to raise awareness and support for our Scottish Heritage programs.

In light of that, Clan Sponsors: For the Safety and Enjoyment of your Clansmen and all those who attend the games, note the following:

Rule 1: Alcohol is not permitted on the premises of the Museum of the Waxhaws. While Scottish hospitality is legendary, be sure to know the people who might have access to your supplies.

Rule 2: NC State law prohibits open containers of alcohol in the passenger compartment of a vehicle.

Rule 3: Union County Fire Code, Building Codes and Risk Management Event Policy for the Waxhaw Scottish Games & Festival **will not permit the installation of person tents.** One tent fly per clan ten is permitted. The Waxhaw Scottish Games & Festival will enforce this policy. If you need extra space this year, you will need to reserve an extra tent space.

Rule 4: We will have many Vendors who will be selling their merchandise at the Games. The Vending Policy of the Waxhaw Scottish Games & Festival requires that these vendors supply a certificate of insurance as well as pay a fee for the privilege. The Clans and Societies are exempt from this requirement and have permission to sell items in their tents that are directly related to supporting their membership.

Rule 5: No vehicles will be allowed on the field or track around the field after 9:30 am and before 4 pm.

Rule 6: The thrift of the Scottish people is legendary. Therefore, there should be no trash left on the ground at the end of the day on Saturday. No one will walk by a piece of trash on the ground and not pick it up. No Clans will leave trash on the ground in their tent.

Rule 7: There are NO PETS of any kind allowed at the Games. Only working dogs are permitted.
